St Leonard's Church, Sherfield

Our increasingly active 'Church family' has **served and cared** for our community for **over 900 years**:

engaging with, and contributing to, village life and seeing the community coming together for christenings, weddings, funerals, Sunday services and festivals. We appreciate the help we receive to keep the church building well maintained. Our next challenge is to replace/repair the roof tiles at c.£200,000

St. Michael's Hospice Meerkats Service

Guiding children and young adults through the journey of loss.

Guiding children and young adults through the journey of loss.

Meerkats will provide **vital emotional support to children** who have a loved one receiving care at the Hospice due to a life-limiting illness, or **who have lost someone** cared for by St. Michael's Hospice.

The need for this service is clear. Without the right support, children navigating grief can feel anxious, isolated, or unsure how to express

emotions. Many experience feelings of guilt or fear, while others may withdraw or stay silent, carrying their grief alone, sometimes for years.

Meerkats aims to change that. By offering a safe, understanding space, the service will **help young people to process their feelings, build resilience and know they are not alone.**

Grief turns your world black and white - monochrome. Meerkats brought colour back into our lives.

The Paws for Thought team has appeared at Crufts', BBC Countryfile Live, Discover Dogs, Pets, Pets, The Pet Show, Animal Road Show, Royal Three Counties, Royal Welsh, Royal Bath & West Show, London Pet Show and similar prestigious events, including numerous TV appearances such as Britain's Got Talent, Alan Titchmarsh show, CBBC 'Who let the dogs out and about' plus Paws in the Park.
